## **2 – Website description**

The Website is an adult dating site dedicated to libertine relationships. It is strictly forbidden to minors and cannot be used for any professional or commercial purpose (escorts, prostitution).

The subscription is free. However access to certain features assumes the payment of a subscription by Users. The Website and the Services are provided to the User on the basis of a service as it is and accessible according to their availability. They are in principle accessible 24 hours a day, 7 days a week, except in case of force majeure or an event beyond the control of Koala, and subject to maintenance periods and possible breakdowns.

Koala reserves the right to make changes to the Website and / or modify or delete all or part of the Website and / or Services after having previously informed the User via a message accessible on his e-mail personal information on the Website.

## **3 – Services description**

The Website offers the User the following free services, this list is not exhaustive:

- register for free on the Website to fill out a profile, submit a listing, photos and videos;
- view ads and restricted profiles of other Users registered on the Website, as well as Events and Pages;

The Website offers the User, in addition to the Free Services, the following paying Services, this list is not exhaustive:

- interact by chat, internal messaging and /or live with all other Users;
- become a fan of Official Pages, register or create an Event;
- create or follow an Official Page.

Applicable rates are available on the Website.

Payment is made via a secure service.

The bank details are transmitted to the payment operator Stripe so to perform the financial transactions necessary to access the paying services offered by Wyyldé. These data are directly transmitted from the interface Stripe, stored on Stripe's servers and are not shared with any third parties, including Wyyldé.

Subscription to all or part of the paying Services may be made with or without a renewal option.

In case of renewal, the subscription is automatically renewed at the end of the period subscribed for the initial period chosen. The user can end fifteen days before the end of the chosen period. In the absence of renewal, the subscription ends at the end of the period chosen, and the User must revert to payment by credit card if wishes to renew the subscription.

The User may terminate his subscription at any time on the page 'Settings / Subscription', which will then take effect at the end of the period chosen by the User.

In accordance with Article L. 221-28 of the Consumer Code, the User does not have the withdrawal period of fourteen clear days from the date of his paid registration, Koala providing, with the express agreement of the User, a service fully executed upon registration and before the end of the withdrawal period. Consequently, the User expressly waives the right to withdrawal.

#### **4 - Registration and access to the Website and Services**

In order to use the Website and the Services, and in particular to post a listing, reply to a listing or use the chat and / or messaging, the User must first be registered on the Website.

Registration is free and reserved for adults and strictly prohibited to minors.

It necessarily requires the acceptance of the Terms & Conditions and the Wyylde Etiquette as well as the communication of the following credentials: pseudonym and password chosen by the user, e-mail address, and profile sought after.

Once the registration process is complete, Koala sends the User an e-mail validating registration and on which is indicated an Internet link on which the User must click to be redirected to the Website and finalize registration.

The following information must be provided in order to finalize registration: gender, city, mobility, date of birth, color of eyes and hair, size, silhouette, ethnicity, type of research, experience, type of exchange and sought profiles.

The following information is optional and can be freely entered by the user: mailing address, telephone number, general description message.

The User can then access the created account to upload photographs and / or videos and interact with other Users.

Koala never asks for the communication of the first and last names of the Users and recommends that they use a pseudonym.

The User ensures to provide accurate, complete and truthful information and to update them regularly.

In the event that the User provides false, inaccurate information, outdated or incomplete or infringing the rights of third parties (copyright, invasion of privacy, denigration), Koala is entitled to suspend or terminate the registration or the account of the User without delay and refuse him, immediately and / or for the future, access to all or part of the Website.

The username and password provided by the users are personal, the latter ensures not to transmit it, voluntarily or by negligence, to any third party.

Any connection or transmission of data made from the username and / or the password of the User will be deemed to have been made by the latter.

Any loss, misappropriation or unauthorized use of the username and / or password and their consequences are the sole responsibility of the User.

The user can at any time choose to modify email and / or password in the section 'Settings / General'.

If the username and / or password are fraudulently used or lost, the User must inform Koala without delay, via the section 'Contact', so Koala can proceed to the immediate cancellation of the identifier and / or the immediate change of the password on justification of User identity.

The information provided by the User (with the exception of address, e-mail address and its telephone number) and the photograph(s) transmitted will be posted and will appear in his listing on the Website. They are only accessible to other Users of the Website.

The User expressly authorizes Koala to reproduce and publish on the Website the information, messages, photographs and videos thus transmitted.

The User expressly authorizes Koala to reproduce and broadcast the videos or live the User on the news feed of the Website and any other sections highlighting users activity on the Website.

The user can, at any time, access his advertisement and modify, complete or delete his information (including his photos and videos) in the section 'Settings'.

- attempt to mislead other Users by usurping the name or name of other persons, and in particular by pass for an employee or affiliate of Koala and / or the Website or for a moderator or host;

The User agrees that the photographs, videos, texts and / or any other content uploaded and / or published on the Website do not infringe the rights of third parties, and in particular intellectual property rights (trademark, copyright, models in particular), human rights (in particular defamation, insults, denigration, harassment, etc.), respect for privacy (including the right to the image), public order and morality (including apology for crimes against humanity, incitement to racial hatred, violation of human dignity, etc.) and, more generally, the applicable regulations in force and the usual rules of politeness and courtesy.

The User guarantees Koala against any claim, action and / or claim of other Users or third parties concerning this content, and this without prejudice to Koala to obtain compensation for its damages.

The Website uses a system of protection of photographs and videos posted by the User and in principle making their registration and duplication impossible by another User or by a third party, but its responsibility cannot however be sought and engaged in case of failure of this system.

## **6 – Moderation**

The content of the Website is regularly checked. Live chat is subject to moderation. Koala may, at any time, on its own initiative or at the request of any User or third party, remove from the Website any content, without first informing the User who has published it.

Anyone wishing to bring to Koala's attention the presence on the Website of a disputed content must use the "Contact" section and specify its complete identity, the description of the disputed content and its precise location (hypertext link), the reasons for which the content must be removed (including the reference to the legal provisions and the justifications of facts) and justify the correspondence addressed to the author or the publisher of the information or activities in question requiring their interruption, their withdrawal or their modification, or the justification that the author or publisher could not be contacted.

Koala will only communicate the contact details or identification data of the author of the disputed content on judicial requisition. Koala will systematically delete any content that is illegal or harmful to human dignity and reserves the right to report such content to the competent authorities.

## **7 - Protection of personal data**

The Personal Data communicated by the User to Koala and / or published by him from the Website are subject to computer processing and are stored and used by Koala, in his capacity as controller, for the duration of the registration of the User on the Website, for the following purposes:

- allow the User to access the Website and, where applicable, certain placeholders, use its various features and administer its account;
- to connect the User with other users, if necessary according to the criteria defined by him;
- register and manage the preferences of the User;
- communicate with the User in order to respond to his requests and requests;
- manage all the contests or promotional activities proposed on the Website, including the designation of the winner (s) and the delivery of the prize (s);
- send the User, at his request, information messages and / or promotional offers;
